

ASK FOR AID OF CITIZENS TO FIGHT PEST

By Dr. J. Gordon Cook, Chair-
man, Newmarket Board of
Health

Every summer, the citizens of Newmarket suffer from an un-
pleasantable plague of mosquitoes.
While the breed found locally is
not the dreaded malaria carry-
ing species, the "bite" is suffi-
ciently distressing to warrant
a program of control. Your
board of health has been con-
sidering the question and we
would like to place our conclu-
sions before you.

It is first of all, essential to
bear in mind one or two facts
about the mosquito. The female
mosquito lays her eggs in stag-
nant pools or wherever there is
a damp, shady, surface. Within
ten days, the metamorphosis pro-
ceeds through the wriggly and
pupal stages terminating in the
appearance of the fully grown
mosquito.

We are all too aware of
how difficult it is to destroy the
adult mosquito so any control
measures must be more success-
ful if directed against the breed-
ing ground and against the mos-
quito before it matures. The
problem is partially simplified
by the fact that the mosquito
rarely flies more than half a mile
so that we do not have to be
concerned with mosquitoes bred
in Aurora or Holland Landing.

In attacking the breeding
grounds, it is necessary to care-
fully drain all low lying or mar-
shy ground, to cut and spray the
vegetation in swamps and drag
the borders of ponds and
streams to eliminate all standing
water as in drains, ditches and
pools, and to remove all recep-
tacles that could catch and hold
water. In theory, that could be
completely effective but the
associated engineering problems
make the cost prohibitive. At
least part of that plan can be
effectively carried out if the
citizens would assume responsi-
bility for their own property. If
you would destroy all empty tins
in your back yards, empty your
rain barrels and try to improve
the drainage in damp spots in
your gardens, you would contri-
bute a great deal to your future
comfort.

To destroy all larvae in the
municipality is too costly a pro-
cedure for your board of health
to contemplate. It would take a
score of men from now till Sep-
tember to adequately cover all
suspicious ground around the
town of Newmarket. At the
most, all we can manage is a
program such as last year in
which the borders of the creek

They Sang In Chains Says V.C. Of Captives

St. Andrew's Presbyterian
church, Newmarket, had a ca-
pacity congregation Sunday, with a
public address system needed to
reach those who weren't able to
get inside the church, when
Maj. the Rev. John Weir Foote,
V.C., was guest speaker at the
morning service. Introduced by
Rev. R. R. McMath, Maj. Foote
told of experiences in German
prison camps.

Among those who heard Maj.
Foote and later talked to him
was Fred C. Evans, son of Reeve
and Mrs. Arthur D. Evans, who
had been in the same prison
camp as Maj. Foote for a short
time. "Maj. Foote came to
Stalag 2D in June of 1944, but
a week later, I was shipped to
Poland along with other Cana-
dian non-commissioned officers,"
Mr. Evans recalled.

Another former comrade in
arms who renewed old associa-
tions was Maj. M. L. Newroth
who has purchased the Shaw
farm near Sharon. Maj. New-
roth was at Camp Borden when
Maj. Foote was principal Protes-
tant chaplain there. Maj. Foote
had lunch with Maj. Newroth
and his family Monday noon.

In his remarks, Maj. Foote
told how eager the prisoners of
war were for services of wor-
ship. He described the first
service that was held after
Dieppe when men attended
wearing shackles. His text that
day had been "Hard it is to sing
of Zion in a strange land," he
recalled, "It was hard but the
men sang."

The men built the church
with their own hands in the
prison camp, Maj. Foote said.
The interior was of plywood
from the sides of the Red Cross
boxes. The church had an altar,
cross and candles, Maj. Foote
said. "Nobody cared whether
these things were suited for
Presbyterian or Baptists or any
other church—they served as
symbols of the men's religious
expression."

He told of during a march

from one camp to another how
the men held a service in a
Lutheran church in Germany.

Attending the service were
veterans of both wars in large
numbers.

The first Canadian padre to
win the Victoria Cross, Maj.
Foote, jumped off the landing
craft taking him back to Eng-
land after the Dieppe raid in
order to be with his men. The
citation continues "Maj. Foote
with utter disregard for his own
safety exposed himself to an
inferno of fire and saved many
lives by his gallant efforts."

BOWLING ENTHUSIAST, W. J. RUSHBROOK DIES

William Joseph Rushbrook, 79,
former foreman of the Office
Specialty Manufacturing Co.,
Ltd., with which he served for
33 years, died suddenly in York
County hospital, Wednesday,
May 22. He has been retired for
some years.

Mr. Rushbrook was born in
Burlington and before coming to
Newmarket had lived in Cobourg
and Toronto. He was a member
and a past warden of St. Paul's
Anglican church. He was a keen
bowler and member of Newmar-
ket Lawn Bowling club.

His wife, Carrie L. Richardson,
died four years ago. Surviving
are two daughters, Mrs. Harry
M. Hill, Newmarket, and Mrs.
B. E. Eycliffson, Prince Rupert,
B.C.

130 ENTRIES MADE IN ARTS CLUB SHOW

One hundred and thirty en-
tries have been received for the
first exhibition of the Newmar-
ket Arts Club to be held in the
Newmarket town hall tonight,
Friday night and Saturday after-
noon. The work, all from local
artists, includes oil and water
colors, charcoal drawings, and
exhibits of wood carving. Those
whose work is being shown in-
clude W. J. Hopkinson, R. L.
Chadwick, Ross Hugo, Miss R.
Ferguson, Miss Shirley Cass,
Mrs. Mitchell, Mrs. Walter Ste-
phens, Clement King, Mrs. Doris
Gibney.

ASSISTS IN PRISON WORK

Capt. Arthur Robinson of the
Salvation Army assisted Major
Louis H. Smith, who has spent
11 years in prison work, at ser-
vices at the Don Jail on Satur-
day afternoon and at the King-
ston Penitentiary and Collin's
Bay penitentiary at Kingston on
Sunday. Capt. Robinson ad-
dressed the gathering at each
place, also giving vocal and cor-
net solos.

KEITH DAVIS PRESIDENT OF TENNIS GROUP

The annual meeting of the
Newmarket Tennis club was
held on Saturday. The follow-
ing executive were elected: hon.
pres., Mrs. W. E. Lyons, Andrew
J. Davis, P. W. Pearson, Dr. L.
W. Dales; pres., Keith Davis;
vice-pres., Charles Lee; sec-
retary, Miss Joyce Bothwell;
grounds committee, Charles
Lee, Norman L. Mathews, Don
Brown; games committee, Tom-
my Scott, Margaret Davis,
Keith Davis; refreshment com-
mittee, Mrs. J. W. Bowman,
Miss B. E. Lyons, Miss Irene
Parks.

Arrangements have been made
to have all three courts available
for play as soon as possible.
Club and out-of-town tourna-
ments will be arranged. Mem-
bers are welcome and are urged
to contact any member of the
executive for membership cards.
The interest and co-operation
of all tennis enthusiasts to make
the coming tennis season a suc-
cess will be appreciated.

Fees for the season are: senior
members, \$5; junior members,
\$3 (high school students).

MARK ANNIVERSARY WITH PLANE FLIGHT

Mr. and Mrs. Frank Green-
wood, Markham, formerly of
Sharon, celebrated their 25th
wedding anniversary by taking
a plane trip over the surround-
ing community on Friday, May
24.

CHANGE OF PLACE

Because of duplication of
dates, the Salvation Army
Music Festival will be held
at the Christian church June
6 instead of the town hall
as advertised. The town
hall is already booked.

JUNE 6 DATE OF JR. FARMER SPORTS, PICNIC

The annual York County Jun-
ior Farmers' judging competition
and girls' achievement day will
be held in the Newmarket dis-
trict, Thursday, June 6. The
boys are asked to register at the
Ontario department of agricul-
ture office, Newmarket, before
8.30 a.m., D.S.T. The girls will
register at St. Paul's Anglican
church parish hall, D'Arcy St.,
Newmarket, for their achieve-
ment day.

The competitors must judge
ten classes of livestock which
will include two of each of dairy
cattle, swine, horses, sheep and
beef cattle. Reasons will be
given on one breed in each class.
The prize money will be based
on total score, rather than on
individual classes of livestock.

It is expected that judging
will be done at such farms as
Pickering College and Eaton
Hall. At Eaton Hall, Glen Val-
ley Pictet Beauty (Ex.), three
times All-Canadian Holstein
cow, will be on display.

Owing to the reduction of the
number of Chicago trips due to
the limited accommodation,
York county will send a girl to
Chicago in 1946 and a boy in
1947. It is hoped that a trip to
New York will be arranged for
a boy in 1946 and a girl in 1947.
No contestant may win more
than one of these trips. The
U.S.A. trip is open to all un-
married contestants except pre-
vious trip winners and those
born prior to Nov. 1, 1930, \$45
in Canadian currency, donated
by the York County Junior
Farmers' Association, to the con-
testant with the highest standing
in this competition in 1945 and
1946, who has shown outstand-
ing leadership including execu-
tive work in junior farmer
activities and who is a member
of a local Junior Farmers' As-
sociation in York county.

There will be a banquet in
the evening at 6.30 in the base-
ment of St. Andrew's Presby-
terian church, Newmarket, at
which time the names of the
prize winners will be announced
and the trophies and prizes
awarded.

9 1-2 Lb. Lake Trout Wins Jackson's Point Derby

One hundred and seventy-five
enthusiastic fishermen entered
the Jackson's Point fish derby
May 24 with F. Bowkepp, Tor-
onto, fishing out of the Black
River at Pefferlaw, winning first
prize of \$25 with a nine and a
half pound lake trout.

Tom BigCanoe from Georgina
Island took the prize for the
largest total catch with four fish
totaling 26 pounds. A third
prize, for the smallest trout, is
still subject to some dispute. H.
Hespeler of Toronto brought in
a six and a half ounce trout
which he caught just before
the closing time of the derby
while Geoffrey Whitney, Sutton,
caught an eight ounce trout.

Mr. Hespeler, it is said, didn't
have a ticket for the derby when
his fish was caught but had
bought one when he returned to
the shore after closing time. Mr.
Whitney had his ticket.

ANOUNCE CAMP DATES

The north York county mem-
orial camp, Camp Ahshunyoong,
for junior boys will be held from
June 28 to July 11 and for the
senior boys from July 3 to July
11. Registration blanks may be
obtained from Howard Hugo or
B. A. Budd.

The junior girls' camp will be
held from July 12 to July 30 and
senior girls' from Aug. 20 to
Aug. 30. Registration blanks
may be had from Miss Janet
Stewart, Miss Mary Morton or
Miss Maude Farren. It is nec-
essary to register early.

RETURN PRES. AT H.-S. ASSN. ANNUAL MEET

Mrs. M. B. Seldon was return-
ed to office as president of the
Newmarket Home and School
Association at the annual elec-
tion of officers Tuesday night at
Stuart Scott school. Mrs. H. E.
Gilroy is past president.

Other officers are vice-pres.,
Mrs. J. A. Koffend, Miss Evelyn
Denne; rec. sec., Mrs. Grace
Smith; corr. sec., Mrs. Cliff Bell;
treas., Mrs. Stuart Beare. H. A.
Jackson installed the officers.

The meeting was addressed by
Rev. G. A. Stone, rector of St.
Paul's Anglican church, who
said that juvenile delinquency
fell into a category where too
much was said about it and
not enough done about it. He
urged movements similar to
the "Big Brother" movement as
the best way to clean up ju-
venile delinquency.

Patsy Dunn, David and Louise
Bastedo and Robert Koffend
supplied musical numbers during
the program.

Teen-Agers Present Fireworks Display At Lions Club Park

By BOB SPEAR

The annual 24th of May cele-
bration was highlighted this
year by a display of fireworks
on the Stuart Scott school
grounds. The display was spon-
sored by the Newmarket Com-
munity Recreation Council and
handled by the youth committee.
The idea, a supervised display,
was instituted primarily to pre-
vent accidents and to give every-
one the benefit of the larger dis-
play of fireworks.

Francis Elphinstone, a member
of the youth committee, took
charge of the fireworks program
and was assisted by several boys
interested in the program.

A large crowd attended and
everyone seemed to enjoy the
show. The smaller rockets were
let off early in the evening and
the giant rockets and roman
candles made a colorful picture
against the dark cloudy sky. Old
man weather just held off his
rain until the crowd left and
then let loose a deluge—the

moral is that Mother Nature
favored those who pitched in to
make it a community co-opera-
tive effort.

It is hoped that next year the
same plan may be followed, thus
allowing everyone to enjoy the
display of fireworks but elimin-
ating the danger to the children.

The town council, recreation
council, and the Lions club pro-
vided most of the fireworks,
buying all that Newmarket and
neighboring towns could provide,
but contributions, both cash and
fireworks, were plentifully re-
ceived from the school children
and others at the display itself.

During the early part of the
evening, the band, under the
direction of Len Little, provided
an excellent program.

The evening performance was
part of a larger show of which
Verne Thompson, chairman of
the youth committee, assisted by
several committee members,
managed, organized and directed.

Grade Schools Meet In May 24 Softball Contest

By MONA DEAN

The girls went at their part of
the baseball program with all
the enthusiasm of big leaguers.
Two games were played in the
afternoon with the winners play-
ing off at seven o'clock.

St. John and Stuart Scott
schools battled it out first. With
Florence Cain pitching and Anne
O'Connor catching, the St. John
girls took the game with a score
of 19 to 7. For Stuart Scott,
Anne Mitchell pitched and Little
Patsy Dunn did a good job of
catching.

By DAVIS EDWARDS

May 24, traditional school hol-
iday, saw Newmarket's grade
schools battling for the unofficial
softball crown. In the senior
section, King George and Alex-
ander Muir clashed in the after-
noon with the former taking the
east-siders by 11-5. St. John's
and Stuart Scott played a close
game with St. John's finally
turning back their opponents by
7-6.

Jerry Hugo pitched his team
to victory over Alexander Muir.
Blizzard scored three out of
four, Armstrong two out of
three and runs by McCann and
Lighthart completed the score.
A fifth inning's rally by A.M.S.
fell three runs short of tying the
score. Wayne Robinson crossed
the plate twice out of three times
at bat, West, Newton and Taylor
also scored.

The second game was a run-
away for Alexander Muir with
a score of 31-9. King George
girls just couldn't hold them
back.

At 7 p.m. St. John's and East
Side kids played for all they
were worth for the champion-
ship. Jean Staley whipped the
ball in to the catcher, Pauline
Boivin, who was busy as a bee,
telling the batter to swing
(which she invariably did) and
nabbing the ball as neat as a pin.

Florence Cain did some good
pitching and held up her end at
bat. Some other good batters
were the Broughton sisters and
Jean Deavitt. The score ended
up at 15-6 for Alexander Muir.
Officials for both afternoon
and evening games were Mona
Dean and Phyllis Osborne.

In the second game a fifth in-
ning rally by St. John's tied the
score and forced two extra in-
nings. Stuart Scott's pitcher,
Ivan Bray, had his opponents
baffled until this inning, when
Cain, Jones, West and McCaf-
frey completed the circuit. Mc-
Cafrey with four safeties out of
five and McCaffrey with three
out of four were the separate
school's big guns. DeLafaye
(2), Bray, Brice, Morton and
Lighthart scored for Stuart
Scott.

On the third diamond during
the afternoon, two games for
small children were played.
Scorers could not keep up with
the runs, but it didn't matter a
great deal anyhow as the young-
sters thoroughly enjoyed them-
selves under the friendly but
stern officiating of Dick Ed-
wards.

In the evening, the finals be-
tween the boy winners, King
George and St. John's, was a
run-away for the former. Hugo
pitched a fine game again and
Bill Armstrong batted out a
home and a triple with runners
on bases. Final score was 16-3.

The games were handled by
Davis and Richard Edwards, as-
sisted by George Haskett, with
equipment being loaned by the
Lions club sports committee.

POLES BEING REMOVED ON WEST SIDE OF MAIN

Town workmen under the
supervision of Angus Morrison,
superintendent of the light and
waterworks, removed the wires
from the electric light poles
along the west side of Main St.
as far north as Millard Ave. this
week.

The cement above the base of
the poles has been loosened
preparatory to removing the
poles. Once the poles were out,
Councillor Frank Bowser, chair-
man of the roads and bridges
committee of the Newmarket
town council, had told the coun-
cil that the curb would be re-
moved, giving additional width

Can't Find Place To Live, Veteran's Family In Tent

Sure proof of the housing
shortage is the tent that Arthur
Sheridan, veteran of two and a
half years overseas, has raised to
house his wife and two sons on
Eagle St. Since January, Mr.
and Mrs. Sheridan have been
seeking a place to live but the
"no children" ban in many cases,
or just plain lack of room for a
family of four has made it a
hopeless task.

As a last resort, the Sheridans
have begun to build their own
house on Andrew St. and in the
meantime, their home is a tent.

The tent serves as sleeping and
eating quarters for the family
with Mrs. Sheridan doing their
washing and cooking in her sis-
ter's home which is near the
tent.

Mrs. Don. Wright, Mrs. Sheri-
dan's sister, and other neighbors
have been most kind in helping
them. Mrs. Sheridan said, "Mr.
Sheridan works in Aurora and
spends all his free time on his
house. He has dug the cellar so
far and the Sheridan's problem
now is to get lumber and other
supplies to complete the house,

THE KIDS DID A GOOD JOB

The kids did a real job of it on Friday, May 24. They umpired the softball games of the grade school children during the afternoon and early evening, and when dusk fell, they set off the fireworks that had been collected to make a colorful ending for an active day. To Verne Thompson, his hard-working committee and the volunteer helpers must go the full credit for an efficient example of community recreation.

Verne Thompson and his committee are a direct result of the work of the Newmarket Community Recreation Council. The council recognized the need for a youth committee that could provide liaison between teen-agers and the council. Mr. J. B. Bastedo was asked, if he would undertake the task. Within days, such a committee had been formed, an executive named, and a full program drawn up.

The youth committee has an age range from 14 to the early 20's, and includes those in school as well as those employed. The committee has arranged for the purchase of equipment for a hardball team entry in the York Lions League, is planning for tennis and softball leagues during the summer, and is currently arranging for a dance to raise additional funds.

The youth committee is completely autonomous in its operations. Mr. Bastedo, once the committee was formed, assumed a secondary role as a link between the youth committee and the larger council. Mr. R. E. "Dick" Mather, the recreation co-ordinator, is, in so many words, as much an employee of the youth committee as he is the recreation council. The youth committee asks him for help, the members are not obliged to do as he says.

The position of the youth council is a model of the relation between other recreation organizations and the recreation council. The youth committee was initiated by the recreation council, partly financed by the recreation council, and given full access to the resources of the recreation council. The recreation council withdrew from active participation in the affairs of the youth committee once that body was on its feet and ready to act.

Throughout Newmarket there are individuals with similar interests who would like to meet other devotees so that they may share in fuller enjoyment of these interests. There are a surprising number of chess players in Newmarket, and we know of one doctor who would like nothing better than to participate in a bridge club. There are recreation activities beyond number, horseshoe pitching, needlework, checkers, and basket weaving. And in Newmarket, there are the facilities and the instruction to bring such activities to all the citizens, regardless of age.

That is what the Newmarket Community Recreation Council exists for, to bring to all the citizens of Newmarket the benefits of a year-round recreation program. That is why the council is asking you to contribute money. What happened Friday, May 24, is an example of how the money is being spent. A recreation program belongs to those who are participants in it. The makings of a happier and fuller life are here. Take advantage of them.

INCREASES SHOULD BE MET BY SUBSIDY

Unless there is last minute action by either the government or the parties involved, June 1 will see a rise of two cents per quart in the price of milk to the consumer. This increase is the federal government's reply to the demand of farmers for a greater return for their milk in line with the increased cost of production.

At the beginning of May, the federal government reduced its subsidy to the farmers from 55 cents per cwt. to 33 cents per cwt. of fluid milk.

The producers protested with the result that the subsidy was reinstated in full. However, the government at the same time dated the end of the two-cent subsidy per quart for June 1, the difference to be made up by the consumer, and served notice that as of September, it would remove all subsidies and return the pricing of milk to the control of provincial boards from which it had been taken early in the war. At that time, another increase in price has been anticipated.

The chances of provincial action to avert these increases seem slim. Hon. T. L. Kennedy, minister of agriculture for Ontario, is quoted as having said that the provincial government would not pick up the "hot potato" that the federal government was dropping. Apparently, the provincial government has no intention of resuming the subsidy payments when they are ceased by the federal government. The consumer then would have another increase to meet.

There is no justification for these potential increases to the consumer. It has been said that the sooner production and pricing are freed from the "artificialities" of price control and subsidy payment, the sooner the nation will have a "healthy" economy. Such a doctrine, if applied to fur coats and costume jewelry, might have some meaning, but when applied to a necessity of life, becomes nothing more than a rank distortion of the meaning of the word "economy."

It is said that freed of controls and subsidy payments, the "natural" level of supply and demand, cost to the consumer and cost to the producer, will find itself. Nothing is said of the victims of the process, the families in the low income bracket with children to feed. A 20 percent increase per quart of milk is a heavy strain for a family budget which must feed three or four children. Add the increases in butter, potential increases in other necessities and the total becomes unbearable. Is this a demonstration of the much vaunted "hold the line" policy of the federal government?

The federal government was able to hold cost of living increases to a minimum during war years. It is failing miserably in peace. The resumption of strict price control and subsidy payment in line with the needs of the conversion years is an absolute necessity. No one denies the increased cost of production, but those increases should be met by subsidy payment from national tax revenues, not by the consumer.

FIRST SOD TURNED AT HOFFMAN SITE

Mr. J. P. McGuire, general manager of the Canadian Hoffman Machinery Co., turned the first sod at the site of the new Hoffman plant at Charles and Queen Sts. Wednesday afternoon before a gathering of representatives of Newmarket public and industrial life. It was an impressive occasion. The advent of the Canadian Hoffman Machinery Co. plant to Newmarket means increased opportunities for employment. By adding further to the diversity of Newmarket industry, it strengthens the bulwark against depression.

On these counts, the citizens of Newmarket welcome their new neighbor, but the real warmth of their welcome is reserved for other aspects of the company. "We do not figure our success entirely in terms of the balance sheet," said Mr. McGuire during the ceremonies. "We try to put back into the community more than we take out." There is no better way to become neighbors and friends than through the adherence of such a policy. The Canadian Hoffman Machinery Co. has already contributed \$500 to the Newmarket Community Recreation Council.

Another feature of the company is the friendly relations which exist between the management and the employees. The Canadian Hoffman Machinery Co. has the reputation of never having had a serious labor dispute. That friendly atmosphere is not confined to within the company. Those who have met the executives and employees of the company will testify of their cordiality.

Work has begun on the foundation of the new building which will house the firm, and early operation is hoped for. However, there are many difficulties ahead. One which will require united effort to overcome is the provision of accommodation for those Hoffman employees who may follow their firm to Newmarket. With the housing shortage becoming daily more acute, this problem will call for considerable ingenuity to solve. Newmarket assumed certain obligations, of which housing is one, with the location of the Canadian Hoffman Machinery Co. here. It is to be hoped that commensurate with discharging their obligations to houseless veterans, the citizens of Newmarket will recognize the need that also exists for Hoffman employees.

DISTRICT ANNUAL

There is something about the weather, the temperature and the time of year that has a good deal to do with the success or failure of any given event.

So, on Thursday, May 23, when one awakened to the singing of birds, the perfume of the opening lilacs, the sunshine and the soft air of a perfect May day, it was with the feeling that the Women's Institute District Annual to be held that day in St. Andrew's Presbyterian church, Newmarket, would be in keeping with the perfection of nature.

One hundred and fifty-five women must have felt something of this for they left their house-cleaning and their gardens, their chicks and their turkeys to be a part of one of the best and largest District Annuals to be held in the district. The meeting, called to order by Mrs. Boak, the president, opened with O Canada and the Opening Ode, followed by the secretary's report. Mrs. Marchand's reports are always well worth listening to—she clothes their dry bones with something vital and alive and I think we all listened this year with rather sorrowful hearts for Mrs. Marchand, after ten years of service, is retiring from the secretaryship.

Eight thousand and five hundred dollars was collected by the branches for worthy objects. In her report of the finances, she said she was seriously crippled by a lack of co-operation of the branches. Some reports came in only the night before and one or two before she left home that morning, making it impossible for her to present a finished report. Mrs. Marchand told us that the Area Convention will take place this year at the Royal York hotel, Toronto, November 11, 12 and 13. District and federation fees should be paid promptly. This is most important. Those wishing rooms at the hotel for the convention should get in touch with the area secretary as soon as possible. George P. Gilmour will be guest speaker at the luncheon.

Next on the program was the reports of the standing committees. First came agriculture and Canadian industries, Mrs. A. Ridley, Snowball reporting. She said the reports she received from her committees showed that they realized the importance of agriculture and industry and their relation one to the other. Branches were taking up the study of land and its problems in all aspects, better homes and improved marketing were stressed. Glass was seen to be a growing industry and wool more important than ever.

Apple juice, plastics and peat to help our fuel problem had all been studied by various branches and they brought into prominence the close connection between agriculture and industry. Finally she said there were many new trends in agriculture which it behooved us to know and she said tolerance and kindness will lead us in our way.

Home economics came next, reported by Mrs. L. Johnson, Queensville. She said everyone needed good and appetizing food. We must praise loudly and blame

softly. Home hints for improvement and the history of homemaking featured largely in reports. "It shouldn't have happened" dealt with accidents; make the most of what we have; study in come-leaks, be ready for "when your man comes home", and the use of electrical appliances. A speaker from a cereal firm and Ethel Chapman from The Farmer gave worthwhile talks. Parcels were packed for Holland and a war bride presented with a quilt. Finally a good motto for the home, "Family well fed, garbage pail starved".

The report on social welfare was given by Mrs. J. Lavolette, Pefferlaw. Bulbs were planted at the war memorial and schools. Many worthy causes were helped by the various branches, Fred Victor Mission, Orange Orphanage, Sick Children's hospital, Community Park. The gifts were given to 32 children, a school dental clinic established and a club for young people, W.C.T.U. contest on the schools, prizes given, a bazaar was held and a book club established, thus spoke the various branches.

W. M. Cockburn now appeared to give the address of welcome as Mr. Stein, who was to have given it, was unable to be present. He thanked the assembly for the privilege of addressing the members. He also said St. Andrew's officials and members extend a hearty welcome to all. He spoke of the W.I.'s splendid type of community effort and commented on how its range had widened during the war. He went on to say that our work as individuals, as Institutes and in connection with the Red Cross was looked up to by every citizen. He spoke of the pride of the town fathers in the local branch of the W.I. and their fine work in providing a rest room, this, of course, helped financially and otherwise by all branches. He felt the work of the W.I. could not be stopped—it must go on.

Mrs. B. Sinclair replied, thanking Mr. Cockburn for his address and saying that the members always enjoy coming to Newmarket. "We are good and ready to go on to greater efforts—one effort being to welcome war brides and help them. Mrs. Hoodless would, Mrs. Sinclair continued, say "To you from failing hand, I throw the torch". We must accept the challenge and hold it high, thus making Canada a better place to live in.

Aurora worked hard and contributed largely to the memorial fund and the cancer fund. At this point we were treated to three selections by a children's rhythm band, under the direction of Mrs. Campbell and conducted by a small member who used her baton and hands with all the aplomb of a finished leader. The children played in excellent time and created a charming diversion. They were splendidly trained and had a fine accompanist. Your scribe could not resist saying a few words of appreciation as she and her husband knew the patience and effort, as well as pleasure, attending such an undertaking.

Historical research, reported by Mrs. T. F. Lowndes, Keswick.

The Youth Of Today

This is the third and final article by Mrs. M. B. Seldon on the findings of the Youth Commission as discussed by youth representatives at the Home and School Association, part of the Ontario Education Conference held in Toronto recently. In previous articles, youth's attitude towards recreation, employment and education has been discussed. In this final article, rural problems and religion are discussed.

The post war needs of rural youth were discussed by George Faris, Cookstown. Henry Ford said, "The land is where our roots are". The farm is the basis of all life; the farmer feeds the world. Agriculture needs youth, and yet the young agriculturalists of Canada are drifting away from farms. The inducements of shorter hours, better wages, recreation facilities and many other factors draw the boys and girls from the farms to the towns and cities. The problem is how can they be persuaded to return to the land and how can the young people be kept there.

Here are some of the suggestions from the people most concerned, the young people themselves. They should have a wholesome use of their spare time. Recreation facilities should be available in every rural community under supervision of a trained leader. The education of the youth of these communities should be suitable for farm life; vocational training is of utmost importance, also training in home economics and manual training. Consolidated schools is the answer to this need. Rural young people want an even chance with the town and city boys and girls in the arts and crafts. They want good literary societies, choral societies and adequate library facilities. The young people of the farm have time to think of other things as they go about their daily work and they ask good material for these thoughts.

They ask that the church, the centre of rural Canada, provide worthwhile forms of recreation. The home is the basis of country life. To keep youth contented on the farm, these homes must have modern conveniences, electric power, lighting, power driven machines, etc. The farm should be on a par with the city home.

There is only one solution to all these problems—higher prices for farm produce to raise the standard of rural living and to enable the farmer to pay his help competitive wages.

Margaret Allbright, daughter of a missionary to Japan, gave a summary of views on religion. Over half of the young people approached favored religious training in the school. One-quarter of the youth of Canada is serious in religious matters. These young people are the leaders in their church societies, while one-half may be classed as slightly religious, as the joiners. The remainder of the boys and girls are either indifferent or antagonistic.

Religion is much more important to the French-Canadian youth than to the English-speaking. An appalling ignorance of Bible and creed was disclosed in the survey of Protestant young people. The need felt in the Protestant churches is for more co-operation between the denominations and for more opportunities in the church for social and recreational activities.

This concludes the report of the panel discussion under Headmaster Joseph McCulley, Pickering College, at the Home and School Ontario Educational Association meeting. During the coming year the local association is planning a more intensive study of the findings of the Commission. This should be an interesting project. We must heed the voice of youth and make full use of its enthusiasm, this enthusiasm which is a priceless asset to a nation.

She said current events were becoming a regular feature on many reports reaching her. Papers on pioneers of old Ontario, atomic bombs, Sharon temple, Mount Pisgah United church, in use since 1870, old documents, customs of 50 years ago, old time remedies, songs of yesterday, Princess Elizabeth, self, mother and grandmother and travelogues.

Citizenship, Mrs. A. Boyd, Newmarket, reporting. One thing a good citizen will do is make life a little brighter for his fellows. It's up to us to create a friendly atmosphere wherever we may be. One branch had a minister speak. He stressed the need of vigilance in the matter of liquor, divorce, draws, gambling and the need for education in Christian citizenship, churches, forums, social evenings for young people. If we are good citizens we will help our neighbors, keep roadsides clean, study music and art appreciation, help our school boards, find out if we are Canadian—if not—what? Give a real welcome to boys returning home. Have a finer, cleaner, stronger Canada by our intelligence, integrity and industry.

If our homes are right, so will our citizens be.

War work was reported by Mrs. E. H. Adams, Newmarket. There were quilts for England, clothing and layettes, milk for children, jam for Britain, help for camps memorial project, Salvation Army contributed to, food and clothing for Holland—in short, help of every kind for every war necessity.

show increased potato yields in 1945
with DITHANE and DDT

Try this COMPLETE spray program yourself

Experiments in Ontario last year proved that increased potato yields are possible through the use of DITHANE plus DDT. You can expect increased yields for your crops if you use this complete spray program for insect and disease control.

DITHANE, sprayed at least once a week, is extremely effective against both early and late blight. The addition of DDT (in such form as Rohm & Haas 25% DDT EMULSION CONCENTRATE or D-50 WETTABLE

POWDER) provides one of the most effective controls of flea beetles, leaf hoppers and Colorado potato beetles.

You'll find your spray operations speedier, too. For DITHANE does not clog spray nozzles, thus eliminating time-consuming delays in spraying.

Ask your local agricultural authorities for complete information, or write P. N. SODEN & COMPANY for a descriptive folder about this spray program.

Rev. E. S. Kerr Ordained

Maple Hill Baptist Church

E. S. Kerr, pastor of the Maple Hill Baptist church, was ordained at a special service in the church Wednesday, May 22. The church was filled for the afternoon service. Of the 25 Baptist churches invited to attend, 19 delegations were present for a total of 44 representatives to form the council to conduct the ordination.

The service opened with a song led by Rev. H. Pace of Harrison. Rev. Duncan McGregor of Stouffville was elected moderator for the day with Rev. Roy Hisey of Fenelon Falls acting as clerk.

After presentation of his statement of conversion, call to the ministry, and faith, Mr. Kerr, as the candidate, was subjected to questioning on different aspects of his statement by members of the council. He was then asked to leave while the council convened. Rev. F. Roblin of Calvin Baptist church, Toronto, moved that the council proceed with the ordination.

Rev. Jack Scott of Forward Baptist church, Toronto, seconded the motion with the council voting unanimously in favor of it. Mr. Kerr was recalled and informed of the decision, bringing to an end the afternoon service.

One hundred and twenty guests enjoyed supper in the Ravenshoe school, served by the ladies of the Maple Hill Baptist church and the Mount Albert Gospel church of which Mr. Kerr is also pastor.

The evening service filled the church to capacity with chairs needed for the overflow. Rev. L. James Lake of the Newmarket Gospel Tabernacle led the song service with Rev. Stanley Wellington of the New Toronto Baptist church leading the prayer. The moderator was in the chair.

The charge to the candidate was given by Rev. G. Searle, Lindsay, followed by the charge to the church by Rev. Norman Rowan, Second Line, Baptist church. The ordination prayer was offered by Rev. Lorne Hisey of Hespeler Baptist church, after which the hand of fellowship was extended to Rev. Kerr by Rev. Roy Hisey.

During the evening service, Mr. and Mrs. Donald Day of Mount Albert's 22nd annual Sports Day will be held next Saturday, June 1, when all the old boys and girls come home to meet together and enjoy a day of sports, ball games, races and bingo, with the veterans, horse shoe pitching and midway. There will be a baby show at 2.30 p.m.

In the evening dancing and a concert will be featured. Supper will be served by the Women's Institute and a booth with refreshments will be on the grounds.

WM. JAS. FLEURY, K.C., BURIED IN AURORA

Funeral services were held Friday from Toronto for William James Fleury, K.C., one time resident of Aurora. The son of the late Joseph Fleury, and a brother of a former mayor, the late Herbert Fleury, he was 82.

Born in Aurora, he was educated at Aurora schools, later attending the University of Toronto and Osgoode Hall. He was lieutenant of the Aurora company of 12th York Rangers which served in the North-West Rebellion of 1885.

Following his graduation from law school, he entered practice in Toronto, subsequently becoming a partner in the law firm of McMaster, Montgomery and Fleury, the partners of which are now all deceased. He practiced law until last year.

In his earlier days he was a noted cricket player and toured England on the famous Canadian team which went overseas early in the century.

Interment was at Aurora cemetery. He is survived by his widow, the former Margaret Elizabeth Buck of Aurora, and one daughter.

Girls Eke 9-8 Win From Visiting Belles

Aurora R.C.O.C. girls edged out a 9-8 win over Charlie Vanz's Newmarket Belles on Tuesday night before a fair sized crowd at the Aurora town park. It was a see-saw battle with Aurora taking an early lead and having the visitors down 6-0 at the end of the third. Newmarket kept plugging away, tying the score by the fifth and taking a two-run lead in the sixth.

Lucille Case banged out a homer over the left fielder's head in the bottom half of the sixth to knot the count. Newmarket failed to tally in the seventh, and Aurora came to bat in the last frame facing defeat. Successive bingles by Monica Young, Jessie Rogers and Emma Campbell filled the sacks, and Ecker Anne Schroeder won her own game as she doubled to put two runs across the platter. The official records will read as a one-run margin under scoring rules.

Feature fielding play of the line was made by outfielder Lou Manning of Newmarket who speared Jessie Rogers' hard hit in deep centre in the sixth. Anne Schroeder, along with Lucille Case, carried the heavy artillery for each team's team, while Marg Vanzant and Marg Heise yielded good for the losers at the plate.

COOKING VEGETABLES

Vegetables are a cheap source of vitamins and minerals, essential to good health. Nutrition experts of the department of national health and welfare, Ottawa, give this advice: to get the best in value and flavor from vegetables, buy them often, store them carefully, cook them quickly, and, of course, eat them daily, as soon as they are ready.

EXPECT REPORT ON LEGION CONVENTION

Zone Commander Bert Phelps of Richmond Hill will give a report on the dominion convention of the Canadian Legion, B.E. S.L., which met last week at Quebec City, when the Aurora branch meets on Wednesday, June 5, in Aurora high school.

The sports program for the year will be presented to the branch, and referendum on a motion sponsored by the Ontario command will be presented to the meeting. The executive requests a full attendance for this important session. A large class of candidates will be presented for membership.

HOLD CONFIRMATION SERVICE AT TRINITY

Rt. Rev. R. A. Beverley, Suffragan Bishop of the Toronto diocese, Church of England, performed "the laying on of hands" ceremony as 13 candidates were confirmed at Trinity Anglican church Thursday evening. Following the service, a reception and tea was held in the parish hall, parishioners meeting his lordship. There was a large congregation present for the occasion. Those confirmed were John Klees, Frederick Southwood, Ralph Rose, Clair Bryan, Ruth Corbett, Elizabeth Brodie, Marie Rose, Richard Clavell, William Somers, Charles Salter, David Catlin, William Richardson, Bruce Miller.

WHITCHURCH TO GIVE VETERANS GOLD RING

Whitchurch township council on Monday evening approved purchasing a gold ring, bearing the recipient's initials, for all boys of the township who served in the Second World War. The order was given to "Wagg, the Jeweller" of Stouffville. About 125 will be presented with a ring.

Locketts will be presented to the girls of the township who served in the armed forces and to the mothers of those who died in service. The number to receive these will be about 30. Marshall Rank of Aurora was given this order.

No ceremony as yet has been planned for the presentation, but if one is decided upon it will be an unpretentious one.

The total cost will amount close to \$2,500 and has been allowed for in the 1946 budget prepared by Township Clerk John Crawford.

WITH THE CHURCHES

Special anniversary services of the Aurora Gospel church on Yonge St. will be held June 2. George Anderson, first trumpeter of Toronto Symphony Orchestra will be guest soloist for the day. Services, 2.30 and 7.30 p.m.

SERVING AURORA AND DISTRICT

Divide Township Into Three Areas For High Schools

Whitchurch township council took the initial step towards the creation of a high school area for Aurora and other centres on Monday. By a unanimous vote, the council divided the township into three school divisions and are laying their wishes before York county council at the June session.

Aurora's area runs from a mile and a quarter north of Aurora, south to the southern limit of the township, east to the fifth concession excluding New Gormley, then up the fifth to starting side road. The estimated total assessment included amounts to approximately \$850,000.

Newmarket's area runs north from the one-quarter mile above Aurora to the north limits of the township, east paralleling the Aurora area but extending as far east as the 7th concession. Total estimated assessment for this area is \$550,000.

Stouffville, where there has been considerable opposition to the creation of a high school area because of the fear of closing the school there, will likely see otherwise now, for it obtains the balance of the township for their area with an assessment of close to \$1,000,000.

The county council is expected to approve the request from Whitchurch.

King township council the same evening approved the high school area plan. Under the King council motion, which has been forwarded to county council, Aurora will be the high school area with an estimated assessment of \$4,000,000 for the entire township, excluding the two areas already served, one at the south-west corner of the township where the pupils attend Bolton continuation school, and one at S. S. 14, Schomberg, where there is a continuation school. Pupils in the Glenview area who attend Newmarket high school, and at Ansonville who attend Bradford high school have been in favor of the plan, and now awaits the action of county council. If approved by county council, it will be a mere formality to obtain the approval of the department of education. The scheme however is not likely to get underway until 1946 owing to the assessment problems involved.

65 Classes Are Carded For Horse Show Revival

Sixty-five classes have been carded for the Aurora Horse Show on June 8, and entries are literally "pouring in" to Secretary A. E. L. Maughan, with everything pointing to a big class in every event. Close to \$2,500 in prizes, "the best in Ontario," have been provided in addition to specials, and the jumping events where the competitors compete for stake prizes from the entry fee. There are a large number of handsome trophies. Entries are coming from all parts of Ontario and in addition some of the foremost horse and cattle judges will be present to adjudicate on the entries.

There will be a special display of handicrafts and shop-work in the Aurora high school.

In the evening there will be a dance and carnival.

CLARENCE ST. JOHN DIES IN HOSPITAL

The death occurred at York County hospital on Saturday of Clarence Wesley St. John, Edward St., a resident of Aurora since 1923. He had been in ill health for some months and was in his 71st year.

Born in Brock township near Sunderland he was the son of the late Christopher and Martha St. John, a pioneer family of the district. In 1904 he married Mary Yake of Stouffville, moving to near Stouffville in 1911. He farmed there until his retirement in 1923 when he came to Aurora to become associated with the newly organized Aurora Match Co. Later he was employed by Sisman Shoe Co. and the Collis Leather Co. He was an ardent sports fan and seldom missed a hockey match in the local arena. He was a member of the United church.

The funeral service was from his residence on Monday with interment at Stouffville cemetery. The service was conducted by the Rev. T. R. White, and pallbearers were Gordon Ball, Roy Bennett, Harold Gunn, Asa Cook, William Thorne and Clifford Gunn.

He is survived by his widow, the former Mary Yake, two daughters, Mrs. Gordon Ball (Ethel), Mrs. Harold Gunn (Bertha), and one son, Clarence.

AURORA PAID CIRCULATION EXCEEDS 300 COPIES

SINGLE COPIES, 5 CENTS EACH

83RD BIRTHDAY CELEBRATED BY MAJ. W. TAYLOR

Aurora's "grand old man," Maj. W. H. "Henry" Taylor celebrated his 83rd birthday on May 24. He spent the day quietly, receiving presents and congratulations from all his children, and in the evening visited the Lions frolic at the Aurora town park and enjoyed the fireworks.

Maj. Taylor, born in Aurora, has spent all his life here and still carries on his duties as town assessor and clerk of the 6th division court. He is a life member of Rising Sun Masonic lodge, and as recently as a week ago attended his 57th session of the Grand Orange Lodge of Ontario West.

He is secretary of the County Orange Lodge and seldom misses a meeting of any of his lodge affiliations. A few weeks ago he became a great-grandfather. One of his main interests is the Loyal True Blue Orphanage at Elgin Mills, of which he is a trustee, and each year supervises the Easter egg collection.

V.C. TAKES CHAPEL SERVICE

Major John W. Foote, V.C., took Sunday's chapel service at St. Andrew's College and was the guest until Monday of Headmaster and Mrs. Kenneth Ketchum.

To Show Rehabilitation Of Maimed War Veterans

Sponsored by Aurora Branch 385, Canadian Legion, a public meeting is being held for employers and interested citizens in Aurora high school at 8 p.m. on Monday, June 10.

The meeting will be addressed by W. K. Purchase, casualty rehabilitation officer at Christie Street hospital, who will outline the work being done to rehabilitate and make gainfully employable again those of Canada's fighting sons who suffered the loss of a limb, or an eye, or have returned home ravaged by the effects of war. Films depicting actual battle scenes, not exhibited in Aurora previously, as well as films depicting the employability of many of Canada's injured war veterans will be shown.

Dr. C. R. Boulding, chairman of the Aurora branch's rehabilitation committee, will be chairman, and the meeting will be a short one. "There are a good many jobs now available for those who have lost an arm or a leg, or are otherwise handicapped as a result of the war, through the type of training being given by the department of veterans' affairs," said Dr. Boulding. "We are anxious to bring their capabilities before employers of the Aurora district, and we urge all to attend."

The event was arranged by Stanley Walker, vice-president of the Aurora branch.

COMBINES TO MEET MAPLE BOXLA TEAM

Combines will seek to hit the win column in the North York intermediate lacrosse circuit as they took up with Maple at Aurora arena on Friday, May 31. Combines looked mighty good in their first effort and have been practising faithfully to erase weak spots apparent in the opening. They are confident of turning in a winning performance.

Maple, which will play its home game in a new \$1,500 outdoor box is led by Cal Miller, ex-Richmond Hill star, and also features Mike Miller and other experienced performers. Maple played last year on several occasions and was rated the best of the teams down south.

An effort is being made to secure permission for Combines to include two players from Aurora on their roster, and the addition won't hurt a bit at the wicket or on the playing floor.

INSTITUTE MEMBERS TRADE SEEDS, PLANTS

Aurora Women's Institute met today at the home of Mrs. John Klees. An exchange of seeds and plants featured the roll-call. Mrs. R. H. Corner, district vice-president, gave a review of the duties of the various W.I. officers. Hostesses were Mrs. M. H. Southwood and Mrs. Alex. Higgins. Mrs. Walter Dunning convened the event.

Mrs. John Klees, Mrs. R. H. Corner, Mrs. Frank Smith, Mrs. A. Mitchell and Mrs. H. J. Charles were among those from the Aurora branch who attended the district meeting at Newmarket last week.

AWARDED CONTRACTS

Douglas Harrison was awarded the contract to collect garbage at Wilcox Lake this summer at a retainer of \$360 by Whitchurch council on Monday night. Leonard Hockley has a similar contract for Musselman's Lake at a retainer of \$290.

Ross Winterstein has been awarded the township contract for supplying gravel at \$1.20 per yd. About 3,500 yards of gravel will be required, it is estimated.

FRY WITH 66 TAKES MAY 24 GOLF LAURELS

Bill Fry with a net 66 bested a field of over 20 on the morning of May 24 to annex the Coronation shield in handicap competition at the Highlands Golf club. Hugh McRae, who shot an 86 for a net 71, was runner-up. The course was in great shape and the competition produced some of the best early season competition in the history of the club.

In the afternoon, 15 couples teed-off for the mixed two-ball foursome and the Elmsley trophy. The final results found three couples tied, Mrs. Hugh McRae and Norman Johnson, N. G. dePencier and Mrs. P. Schmidt, Richmond Hill, and Mr. and Mrs. Herbert Cain, Newmarket. A draw for the silverware rated the ladies in the above named order while the three men will play-off under handicap rules for the trophy. Each twosome had a net 43. The figure was computed by taking the gross, subtracting the men's handicap and allowing the ladies half of their partner's handicap.

On the weekend of June 1, the opening matches in the Jarvis Shield and the Tip Top Century Cup will get underway, with large fields anticipated. President Bill Boaks warns that no delays in running-off the competitions this year will be brooked by the committee in charge.

Name Directors For V.O.N. Organization, Expect Nurse Soon

At an enthusiastic meeting at which all groups in the community were represented, a board of 12 directors was elected for the Aurora branch of the Victorian Order of Nurses Monday evening. The board will now forward a request to V.O.N. headquarters for recognition, will draft a constitution and from its directors will choose permanent officers of the organization. The board has power to add to its members.

Dr. Crawford Rose acted as chairman and was instructed to carry on as provisional chairman until the board of directors meets. Committees expected to be appointed are finance, publicity, membership and a medical advisory board.

"How did we ever get along without it?" Dr. Rose said would be the feeling of the general public once the V.O.N. system was established in Aurora. "It will be the last public service we'll want to do without in Aurora," he forecast. "It will give to the town something of which it can be said no one man, woman or child can not fail to benefit from."

He stressed the fact that funds would be raised by way of \$1 memberships, public grants, industrial contributions and the fees paid. "The fact that you are a member at a nominal fee doesn't mean you are entitled to a free call. It confers the right to vote at meetings or to sit on the executive. The free calls are for those who can not pay."

Miss Mary C. Ferguson, V.O.N. supervisor, who has spoken twice in Aurora previously answered questions arising from the general discussion.

Q. What particular training has a V.O.N. nurse?

A. A V.O.N. nurse is a graduate from a hospital of at least 100 beds. After becoming a registered nurse, she takes a year's course in public health nursing at a university.

Q. Can non-members make use of the services of the nurse?

A. Once a V.O.N. nurse is appointed for an area she is at the call of everyone in the community regardless of whether they are members of the local V.O.N. organization. There is no restriction on rich or poor.

Q. Is there any tentative plan for the work a V.O.N. nurse will do in Aurora?

A. This is difficult to determine now and will have to be regulated by the local organization. Experience has shown that in towns of similar size (3,000) there is generally time for the V.O.N. nurse to apportion her services to industry and the school in addition to bedside and home nursing. The program of the board should be regulated to provide all the services needed.

Selected for the board of directors were Mrs. L. C. Lee, Mrs. Thomas Dann, Dr. C. R. Boulding, Mrs. Crawford Rose, Mayor Ross Linton, Dr. G. W. Williams, Mrs. Andrew Rose, Mrs. William Milgate, Harold Pringle, Dr. E. J. Henderson, Riley Youngs and Dr. Crawford Rose.

The board of directors expects to meet in the near future and elect the officers of the organization. From information available, it is expected a nurse will be available for service in Aurora as early as mid-July if the necessary steps are taken. The V.O.N. nurse system should be in full swing in Aurora at least by fall.

Flt. Lieut. Anson Gilbert Decorated By Gov.-Gen.

Flt. Lieut. Anson Gilbert, D.F.C., was decorated on the morning of May 24 by Canada's new governor-general, Viscount Alexander. He was the only district veteran to be so honored.

A number of King township residents were fortunate enough to meet Viscount Alexander on Friday as he journeyed to Strange to decorate Lieut. Col. J. M. Saeger of the Royal Engineers with the Distinguished Service Order. Col. Saeger, an officer of the Imperial Army, won his award in North Africa, and now resides with his wife and family in the former Presbyterian manse. Being too ill to attend the function at Convocation Hall through the rigors of life in an Italian prison camp, the gesture of His Excellency in journeying to meet his old comrade in arms at his home speaks to Canadians as a more formal affair would fail to do.

Six-year-old Carol Egan, daughter of Mr. and Mrs. Norman Egan of Laskay, presented him with a bouquet which he promised to deliver to Her Excellency, Lady Alexander. Col. Saeger called for three cheers as His Excellency left for Toronto.

Richmond Hill and King City residents who were on watch caught glimpses of the vice-regal car as it sped to and from Strange but no official stops were made. Viscount Alexander returning with a friendly wave of the hand the many cheers and greetings of good-will tendered by on-lookers.

Lions Fete Midget Champs, Hockeyists Collect Prizes

Aurora Lions honored their championship Ontario Midget B hockey team at the regular meeting on Tuesday night, and they were not alone in doing so.

In the afternoon, through the courtesy of Warren Jenkinson of the Royal theatre, a special motion picture program was exhibited to all the youngsters who participated in the Lions hockey league or at Aurora public school.

Twenty-two youngsters were present with the coaches for the dinner.

Leonard Simmons introduced the team and the trophies won were on display. President Charles Copland presented each player with a signed ring on behalf of the club.

Fire Chief Harry Jones presented the boys with championship crests on behalf of the Aurora Fire Brigade.

Earl Attridge presented Ronnie Simmons, Bill McGhee, Walt Davis, Jack Atkinson, Bruce Rose, Gerry Simmons, Keith Kyle, Jack Andrews, Bill Wilkinson, John King, Walt Tunney, Bill Attridge, Jim Cook and Jim McDonald with windbreakers of brown and yellow calfskin on behalf of himself and Victor Attridge.

Frank Underhill presented the Underhill trophy for the boy who had contributed the most in proficiency, team spirit and character over the season to Ron. Simmons.

Stewart Patrick presented the Patrick trophy to Gerry Simmons, captain of the winning Bantam team.

LONG TAILOR HERE, DAVID COLLINS DIES

The death occurred Tuesday after a lengthy illness of David Collins, veteran Aurora tailor who had resided in Aurora for close to 40 years.

The deceased was a bachelor and had been born in Dublin County, Ireland, coming to Canada as a young man, and settling at Uxbridge where he learned his trade.

He came to Aurora and was associated with the late William Hastings in the tailoring business. He returned briefly to Uxbridge following Mr. Hastings' retirement returning to Aurora around 15 years ago. He led a quiet life and was an expert craftsman. Believed to be in his 75th year, he is survived by relatives in Ireland. Funeral service was held on Wednesday with interment at Aurora cemetery.

STEWART PATRICK PRESENTED THE PATRICK TROPHY TO GERRY SIMMONS, CAPTAIN OF THE WINNING BANTAM TEAM.

The Newmarket Era and Express office is open Saturday evening from 7 to 9.

More Milk Profits

Young calves need a specially formulated starting feed just as baby chicks do to ensure essential early growth and development.

SHUR-GAIN CALF STARTER

SERVES A DUAL ROLE IN PROMOTING MORE MILK PROFITS

(1) By starting your calves right off on SHUR-GAIN Calf Starter you can have them completely weaned off milk at five weeks. This will mean more milk to market and bigger milk cheques.

(2) Because they were started right your SHUR-GAIN fed calves will develop more quickly into big, strong heifers that make more productive cows.

(Continued from Page 4) Kingston in the Can-Am circuit and is expected back in minor ball in Toronto. He can still play juvenile.

Junior age limit being raised gives Leon Simmons such boys as Gar Doolittle, Pete King, Earl "Red" Rose and one or two others for the team again and they should help out a lot.

Johnny Furlong, who played in the outfield for Newmarket camp in the Newmarket town league in 1942 and in the O.B.A. playdowns, is performing at baseball in the Earlscourt league and in softball with Rooney's at Bellwoods.

Del Babcock had no less than 126 kids in action at Aurora town park the other night at baseball and softball. He decided to have only three bantam baseball teams while the softball program is not yet decided upon.

More and more it is apparent another park is needed for Aurora, especially for the smaller children. The plan propounded by Councillor Stewart Patrick for more playing fields at Aurora town park doesn't look as if it will come to pass this year, or ever. Not enough help available to do the job, 'tis said. It is practically too late now to do anything about it.

Ace Yake and the lads from Ordinance are attempting to erect their own softball diamond in the south-west corner of the park, with the town supplying the materials and the chaps doing the work. The spot is by no means the best in the park for mullball, but another diamond any place is better than none at all. When games are played with outside teams they will be on the big diamond and it is planned to bring in outside name teams for Saturday night games. They should draw well too.

Harry Couse as yet has not made his appearance on the mound in the Barrie circuit, but is certainly going great guns for Cookstown in the South Simcoe league. Harry has led his mates to three straight wins, including a shut-out over Bradford and a win over Fennell's Corners, the 1945 league winners. According to all reports he is as good as ever and the boys are finding it tough to tag his pitches.

Stroud has replaced the Scotch Settlement entry in the league, the majority of the Settlement boys performing for Bradford. The Bradford team lines up as follows: Ken Tupling, Mac Tobias, Rucci Colangelo (the played hockey for Zephyr Blues), Carter, Keith Kilkenny, Trash, Joe Magani, Semple and Evans, a fair collection of softballers and one that will do better than at present.

Six girls' teams are in action this year at Barrie and they would doubtless welcome a few games with the girls at Newmarket and Aurora. The Barrie girls' teams are about on a par with the two southern teams and a good series would result.

Jean Chanton, the Uxbridge girl, is twirling nice ball for Sunday Morning Class at Sunny-side this season and is a teammate of Marj McCarnon.

Beryl Rowntree, a former Newmarket high girl athlete and daughter of Charlie Rowntree, graduated as a nurse a few weeks ago from Toronto General hospital.

John Stuart so far has a record of one win and two seconds all scored in the steeplechase events with Rice Cake and Orenco. Wisely enough, John saved himself a C note by scratching Bonnie Liz in the King's Plate. He picked up a fair sort of steed for a grand in a claiming race called Guess Who. Rice Cake took the \$2,000 Fraser Memorial hurdle race. Tulachmore, the biggest winner of all time on Canadian tracks, having failed dismally in both starts, has been shifted to Detroit by owner ex-warden of York county, Bill MacDonald.

Earl Rowe scratched Royal Stand from the Plate and the trials too, but he has uncovered a nifty two-year-old who has won one and had a second in juvenile races to the weekend. Watch Mack, a brown colt, is the fellow we mean and he is entered in most of the good races for young horses. A half brother, too, to Kingarvie, winner of the King's Plate, their sire being Teddy Wrack. Unfortunately, he's not entered in the 1947 running of the Plate, though he might turn out to be the best of the juveniles.

Schofield Battersby may be a name not remembered by too many, but back in the 20's he was a standout at soccer, track and basketball for Richmond Hill high school. Recently he was appointed principal of Lindsay Central public school.

Hated to say "au revoir" to Cliff Chapman who moved to Alliston this week. One of Canada's most promising cyclists before the war, and headed for the top, Cliff was one of those chaps who rightly enough the community looks to take up the athletic leadership, burden of postwar years. Already this year he had lent a hand in getting the Aurora kids started at lacrosse and was preparing to make a comeback at cycling. He will find that Alliston is a pretty fair community for those who like good clean fun. They have

no less than four diamonds available for softball and baseball, which puts most towns bigger in size to shame.

Orchids to our old pal, Bob Benville, who made a gallant showing in the big 24th of May Canadian Wheelmen's race at Toronto High Park. It was over the 25-mile route, and a tough, tricky, dangerous course. Forty-five of the best cyclists on the North American continent faced the barrier and no more than 50 percent finished, a pretty fair indication of the stamina needed to rate in the records. Now Benville, as we know, was making his first start since navy days, is a bit up in years so far as getting in shape is concerned, and lacked training facilities and opposition at home (ever try racing against the watch and yourself?). In addition he couldn't obtain an '80 sprocket which riders in such event need and was forced to use a "71." The night before the race his handbrake cable broke, but a pal fixed him up. We give you these items not by way of alibis but so you'll get the true picture.

Bob finished 13th in the race, won by the American senior amateur champion Ted Smith of Buffalo, was one of the top-ranking Ontario riders, took down the ninth handicap prize, won himself a fine new wind-breaker, and just missed by 30 seconds winning a special prize of \$20 for the best time turned in by any war veteran. Not a bad day's work say we, and Bob is ready to go to the mat again. His friends, including the lads of the Newmarket Cycling club, are pretty pleased about the whole affair. His time was 1 hr., 9 min., 10 1/2 sec. for the 25-mile grind. Mrs. B. was present for the race, and is a redhot bike fan now. Don't be surprised if before the year is out Benville is winning races regularly.

Gus Hogben, 59-year-old war veteran who has but one arm and is no stranger to Aurora, finished immediately in front of Bob. The crop of riders who monopolized Canadian cycling in pre-war days are pretty well all gone, the leading Canadian performers being younger lads.

Sam Stransman, president of Barrie Colts for many years, won the fishermen's lake trout derby at Barrie on May 24 with a catch of over nine pounds. Sam has been telling for years about "the one that just got away," now we'll be hearing about this one until the end of time. So it goes with the anglers.

Mount Albert field day on Saturday and keep your fingers crossed for good weather. Some mighty fine softball clubs entered. Charlie Ryan's taking up the Hill, Newmarket Vets, and many more—12 we hear. A big dance in the evening.

Newmarket Canadian Legion come to bat with a big dance on June 7 which merits the support of all. It'll be a real hoedown according to all reports, and the tickets are being snapped up.

Of course, you're not forgetting that you'll have a chance to see Ontario's finest hunters in action at the Aurora Horse Show, come Saturday, June 8. Secretary Al Maughan and those in charge expect to see the best jumping around since the days of the late Aemilius Jarvis' famous performer, Solar Eclipse.

In Memoriam

Gordon—In loving memory of a dear wife and mother, Isobel Gordon, who passed away May 29, 1945.
We think of you, dearest mother,
And our hearts are filled with pain;
This earth would be a heaven
Could we hear your voice again.
Ever remembered by husband and daughter, Lottie.

Hadden—In loving memory of a dear wife and mother, Mrs. William Hadden, who passed away May 29, 1938.
Her thoughts were all so full of us,
She never could forget,
And so we think that where she is
She must be watching yet.
As angels keep their watch up there,
Please, God, just let her know
That we down here do not forget,
We love and miss her so.
Ever remembered by her husband and daughter, Mabel.

Walker—In loving memory of a dear mother, Georgina Walker, who passed away June 2, 1945.
One year has passed since that sad day,
The one we loved was called away;
God took her home, it was His will,
But in our hearts she liveth still.
Ever remembered by son, Elwood, Eva and Horner.

CARD OF THANKS

I wish to express my sincere thanks and appreciation for all the beautiful flowers, fruits, cards and acts of kindness which were bestowed upon me during my recent illness. Also "Dept. 56" of the Office Specialty. Much gratitude goes to Dr. G. E. Cline and the nurses of York County hospital. Thanks a million to everyone. Norma Pegg.

CARD OF THANKS

Mr. and Mrs. Bruce Ingledew wish to express their sincere thanks and appreciation to their friends, relatives and neighbors for the acts of kindness, mess-

ages of sympathy and beautiful floral tributes extended during their recent sad bereavement.

CARD OF THANKS

Mrs. C. W. St. John and family wish to convey their sincere thanks and appreciation for the many acts of kindness, messages of sympathy, and beautiful floral tributes received from relatives, friends and neighbors, also to Rev. Thomas White, Dr. Crawford Rose, and the nurses of York County hospital during the brief illness and loss of a loving husband and father.

CARD OF THANKS

I wish to acknowledge the kindness of my friends and neighbors for the kind wishes, cards and fruit received during my stay in York County hospital, also for their help with the farm work, also Dr. D. B. Westcott and nurses of the hospital. Stuart Pegg, Sharon.

CARD OF THANKS

Mrs. Ernest Lunau and family wish to thank the kind friends, neighbors, pallbearers and those who so kindly provided cars for their many acts of kindness, expressions of sympathy and condolence and for their beautiful floral remembrances at the time of their recent bereavement.

BEN. PRICE HOUSE MOVED TO QUEEN ST.

Using an old-style vertical windlass turned by a team of Percherons, Ben. Price's house is being moved from its former location on Charles St. to a new site on Queen St. where a foundation has been prepared for it. By Thursday morning, the house had been moved as far as the creek.

AT HOME

Mr. John Slater will be at home to his friends on Sunday, June 2, at the home of his daughter, Mrs. Walter Proctor, Yonge St., from 2 to 5 o'clock, the occasion being his 80th birthday.

News On Recreation

By Dick Mather, Recreation Co-ordinator

In the course of my travels through Newmarket during this last week and a half, I have heard and asked for many opinions concerning recreation. One idea keeps cropping up, and it usually takes this form: "I'm too old to play tennis, baseball, or what have you." But this is only one aspect of recreation, for recreation covers all of man's leisure time and the activities he engages in during that time, ranging from solitary pursuits such as reading to organized group projects such as team sports, from purely voluntary groups to commercial enterprises.

The recreation council's purpose is to help provide means for deriving satisfaction from leisure time and to further increase enjoyment by presenting activities of wider and broader scope. At this time, for a beginning, emphasis is being laid on youthful and physical projects. Here are some of the activities in Newmarket at the moment:

The Tennis Club has elected a new executive and is anxious to increase their membership and provide opportunities for tennis under the best possible conditions. The Lion's club are helping to put two courts in shape as part of its summer playground project and Charlie Lee is eager to meet some of the younger hopefuls during their free time to help in getting the courts fixed up. Later on, the club plans to provide regular instruction.

The youth committee is going ahead with plans of its own. Already, as noted elsewhere, they provided an excellent impromptu program for May 24. A dance at the high school in June is in the cards and other activities will be arranged. With some support, they hope that they will be able to keep a mid-geet hardball team in the York League, and if there are more who wish to play ball of any sort, of forming a town league.

Baseball is going ahead. There are several existing teams and more can be formed if there is a desire and need for them. The vets softball team is running its own show, the girls have one team in a league, and the boys have two hardball teams, junior and midgeet. George Haskett is handling the junior team regularly and is leading the midgeets into their first game tonight at the Lions Park. But the midgeets are desperately in need of help in the coaching and managing fields as George is short-handed as it is.

For the younger tots, plans are being made to put sand boxes in numerous suitable spots throughout town. Suggestions for location, help in building, and any ideas will be welcomed.

Moving pictures taken by U.S. Navy photographers, showing the attack and capture of Iwo Jima, and a film on the rehabilitation of a Canadian amputee, were shown on Tuesday night to a select preview audience at the town hall. These pictures will be shown again, probably in conjunction with the next Lions club meeting and the battle film, in technicolor, is extremely good and well worth seeing.

PETER WHITE IS WITH H.M.C.S. NADEN

Mrs. Wm. White, formerly of Newmarket, recently received an interesting letter from Peter White, who is with the H.M.C.S. Naden, Esquimalt, B.C. Excerpts of the letter follow:

"I am receiving the Newmarket papers regularly. We're getting along pretty well now. In two weeks our division comes back from assault training and we are ship's company then. When we had Sunday Divisions last Sunday, the captain said we were the smartest division there. "We are having beautiful sunny weather, and a nice cool breeze. I think you would like it out here. The atmosphere seems to be so much English in every way. A lot of the boys just stay here on weekends and bask in the sun, or go rowing in the harbor.

"Bill Denne is on the 'Uganda,' the Canadian cruiser. It will be here in a week or so. I think Eric Leach, another Newmarket boy is on board too. I am looking forward to seeing them.

"I am getting along pretty well in my classes and I may be able to transfer after a while."

W.A. Hears Of Work Of China Missionaries

The Newmarket branch of the Women's Auxiliary of St. Paul's church attended the meeting of the Aurora branch at Trinity church parish hall on May 28 to hear an address by Mrs. Andrew, wife of Arch-deacon Andrew, on their work in China during the war.

ASK FOR AID

(Continued from Page 1)

and conspicuously marshy areas will be given an oil spray once a month.

In brief, the efforts of your board of health, must of necessity be very limited until the town's finances permit the annual expenditure of several thousand dollars for mosquito control. However, we do feel that our contribution will be of value, and if we could have, in addition, the whole-hearted co-operation of all the citizens, the program can be very successful.

All we ask of you is to control the mosquitoes that breed on your own property. That request is not unreasonable since it is quite probable that those are the mosquitoes that are the most bothersome anyway. We have every reason to believe that for every mosquito that will reach you from the creek, there will be 50 that will have bred within a hundred yards of your own home.

If you will use the D.D.T. spray that is sold in the local stores for a few cents a month and a half hour's work you can contribute your share in the mosquito control program. It will mean spraying damp corners in your cellars, under steps, in long grass and in moist spots of your back yards. Be careful to prevent the collection of water in empty tins or barrels. D.D.T. is not completely harmless but if you avoid spraying it over foodstuffs and vegetables or over drinking water, there can be no ill effects.

In addition, a daily spray of screen doors and windows will prevent flies and mosquitoes from collecting in those places. The results will be highly satisfactory, especially if you can persuade your neighbors to exercise the same precautions as the mosquito has little respect for a surveyor's boundaries.

In conclusion, the Newmarket board of health urgently asks for the concerted efforts of all the citizens of the town. This is not a case of passing the buck as we simply cannot undertake more than a very limited program even if you would approve of the repeated invasion of your private property by a mosquito control squad. With your whole-hearted co-operation, you will be able to sleep well all summer. The prosecution rests.

MARRIED MAY 25

Trinity United church was the flower setting for the wedding, May 25, of Doris Elizabeth, youngest daughter of Mr. and Mrs. Zeb. Harden, Newmarket, and Lawrence John Patterson, Minesing, son of Mrs. Robt. Patterson and the late Mr. Patterson. Rev. Henry Cotton officiated. At the organ was H. G. Fowler.

Given in marriage by her father, the bride wore a white sheer gown. Her long embroidered veil was held by a Dutch cap of net with lattice-work crown. She carried a shower bouquet of red roses and lily-of-the-valley.

Mrs. Jack Osmond, matron of honor, chose a powder blue sheer dress with matching net Dutch cap, while Miss Frances Luesby as bridesmaid was in a similar costume of pink sheer. Both carried old-fashioned nosegays of roses and sweet peas.

William Tennant, Georgetown, was best man. The ushers were Wilmot and Alfred Harden, brothers of the bride. During the signing of the register, Miss June Hill, cousin of the bride, sang Father Eternal.

At the reception held in the Sunday-school room of the church, which was tastefully decorated, the bride's mother received in gray and orchid printed crepe with white accessories and corsage of red roses, while the mother of the groom chose gray crepe with black accessories and red rose corsage.

For travelling to Niagara Falls and Buffalo, the bride donned a rose wool suit with navy accessories. The couple will reside in Newmarket.

Out of town guests were present from Owen Sound, Minesing, Mount Dennis, Sprucedale, Shelbourne, Georgetown, Guelph, Aliston and Toronto.

ENGAGEMENTS

Mr. and Mrs. Harford Leitch, Queensville, announce the engagement of their daughter, Joyce Claretta, to Mr. James Williams, son of Mr. and Mrs. Robert Williams, Scarborough, the marriage to take place at Rhodes Ave. United church, Toronto, on June 22, at 7 p.m.

Mr. and Mrs. L. M. Nairn of Kitchener announce the engagement of their eldest daughter, Anna Jean, to Mr. Eric M. Carter, Newmarket. The wedding will take place at St. Andrew's church, Kitchener, June 28.

Mr. and Mrs. Ross Trivett wish to announce the engagement of their youngest daughter, Madeline Cecilia, to Ernest A. Barber, only son of Mr. and Mrs. Albert Barber, Newmarket. The wedding will take place early in June.

BORN AT LANDING, ARTHUR OUGH DIES

Arthur Ough, a former employee of the Davis Leather Co., died at his home in Toronto on May 19 as a result of a stroke. He had been in ill health for the past seven and a half years.

Mr. Ough was born at Holland Landing on August 10, 1883, a son of the late Annie Gray and Albert Ough. He married Mary Elizabeth Ellis.

Mr. Ough was employed with the Toronto post office, terminal A, at the time of his death. He attended the United church.

Surviving besides his widow are three sons, Cameron E. and Arthur R., Toronto, and Gordon B., Newmarket, three daughters, Mrs. Wm. Donaldson, Newmarket, Mrs. Frank Grainger, Calgary, Alta., and Mrs. Bob Wilson, Newmarket, two brothers, John Ough, Roxbury, Mass., and two sisters, Mrs. Robt. Helmer, New Liskeard, and Mrs. Wellington Selby, Sharon.

Rev. Henry Cotton conducted the funeral service at the chapel of Roadhouse and Rose on May 22. Interment was made in Newmarket cemetery.

The pallbearers were Ross Stephenson, Frank Prest, Frank Potter, Garfield Newton, Albert Selby and Robert Wilson.

Ernest S. Lunau Dies, Once School Trustee

A school trustee at Mount Albert until he found it necessary to resign because of his health, Ernest S. Lunau died at his home at Mount Albert on May 16 after an illness of six months.

Born in Scott township on August 30, 1893, Mr. Lunau was a son of the late Chollie Clissold and Lambert Lunau, Mount Albert. He married Elizabeth Risenbrough on November 4, 1914.

Mr. Lunau was a farmer all his life and was chiefly interested in growing potatoes. He enjoyed visiting friends and neighbors. He was a member of the United church.

Surviving besides his wife are six sons, Austin, at home, Norman and Roy, Toronto, John and Bruce, Aurora, and Murray, also at home, two daughters, Mrs. Freeman Stephens (Viola), Mount Pleasant, and Audrey, at home, three brothers, William, Stanley and Alvey Lunau, all of Mount Albert, two sisters, Mrs. Edward Joyce, Depot Harbor, and Miss Nellie Lunau, Toronto, and four grandchildren, Donald, Douglas, Linda and Carol Lunau.

Rev. W. H. Burgess conducted the funeral service at Mount Albert United church on May 18. Interment was made in Mount Albert cemetery.

The pallbearers were Douglas Campbell, Roy Stewart, Joe Harrison, Jack Walker, Kenneth Ross and Harold Hayes.

COURT IN TOWN HALL! Magistrate's court will be held in the Newmarket town hall tomorrow and for the remainder of the summer. There was no court last week because of the holiday.
